JOURNAL ENTRY

**IN RE: TEMPORARY HALT IN RESIDENTIAL EVICTIONS TO PREVENT THE FURTHER SPREAD OF COVID-19**

On September 4, 2020, The Centers for Disease Control and the Department of Health and Human Services issued an Agency order intended to minimize the further spread of COVID-19 throughout the United States. 85 FR 55292

The Order is effective September 4, 2020 through December 31, 2020 and directs that a landlord, owner of residential property, or other person with legal right to pursue eviction or possessory action shall not evict any covered person from any residential property.

The measures adopted by the CDC in the Order are minimum measures necessary to reduce COVID-19 transmission risk.

The Court determines that it must take action to comply with the minimum protections set forth by the CDC at 85 FR 55292 by suspending any action by the Court permitting or mandating the removal of persons by a landlord, owner of a residential property, or other person with legal right to pursue eviction or possessory action.

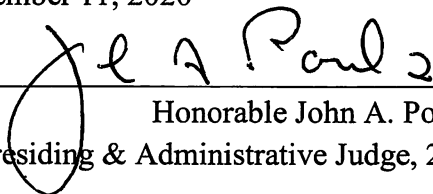

**IT IS ORDERED:**

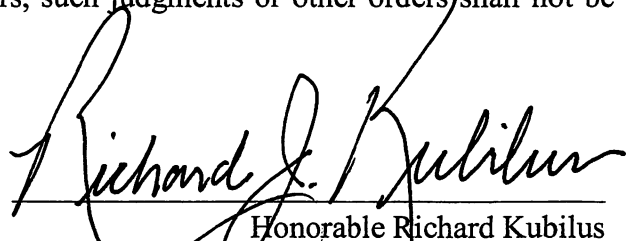

The Canton Municipal Court will stay the issuance of orders furthering the removal of a person from any residential premises by eviction, set out, or other action of a landlord, owner of a residential property, or other person with legal right to pursue eviction or possessory action; and,

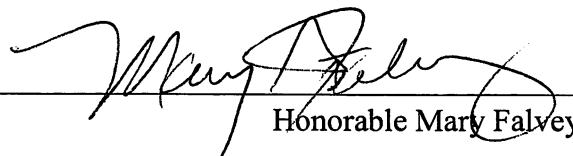

The Court will continue to accept filings for evictions and conduct hearings if requested or mandated. The Court will stay taking action after any filing or hearing; and,

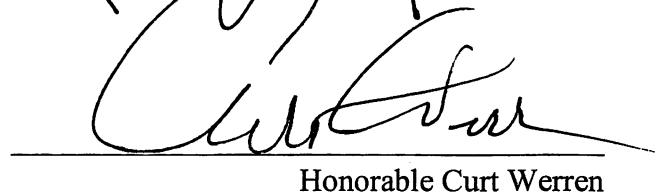

For any matters continued by the Court under this Order, the continuance shall be to a date on or after January 4, 2021. For stays of judgments or other orders, such judgments or other orders shall not be issued or made effective until after January 4, 2021.
